

The background features a light gray central area framed by vibrant, flowing waves of green and orange. The green waves are on the left and top-left, while the orange waves are on the right and bottom-right. The waves have a soft, ethereal quality with some transparency and subtle gradients.

HAPPY REPUBLIC DAY

71st republic day (2021)

HERE IS A SMALL POEM I WOULD LIKE TO
SHARE WITH YOU FOR THIS AUSPICIOUS DAY.

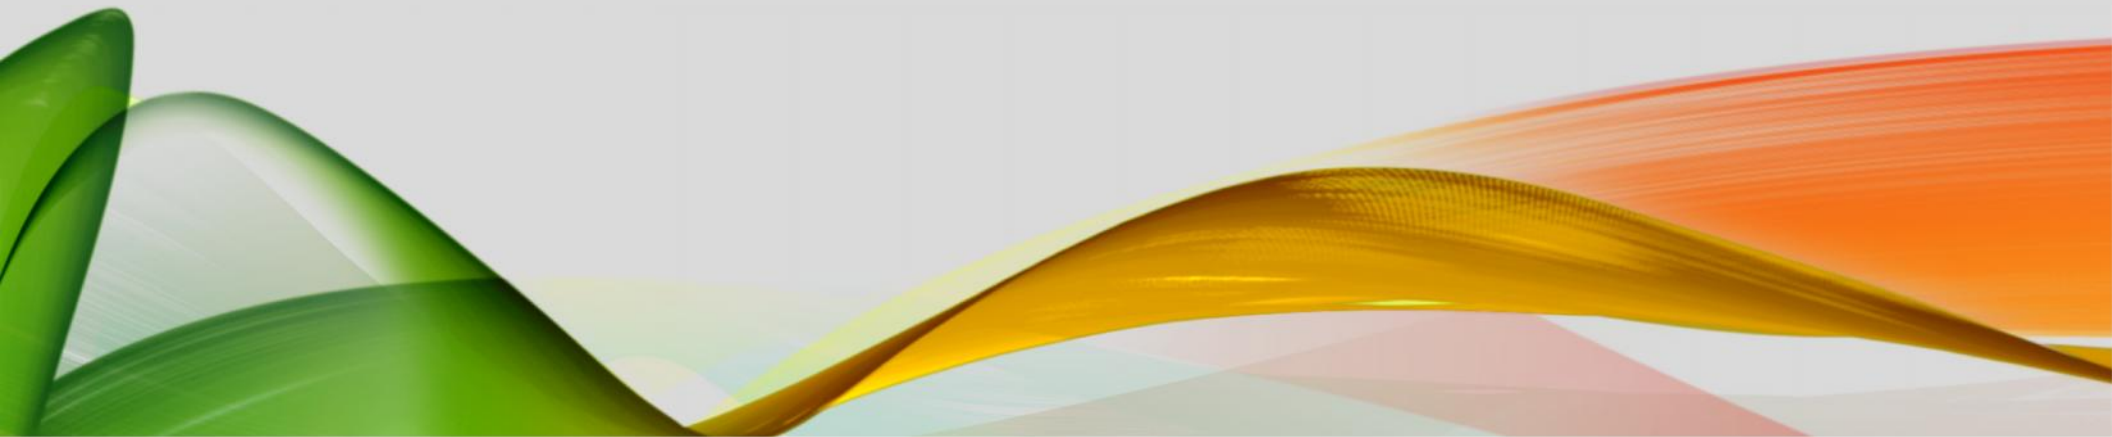

This was inspired by India's relationship with each country,(for example: Us-India, Thailand-India, UAE-India, Britain-India).

I tried to use my passion for poetry to share my wishes of the day.

Wishing you a happy Republic day!!!!!!!!!!!!!!

THIS IS HOW AMAZING THEY ARE

By Archita

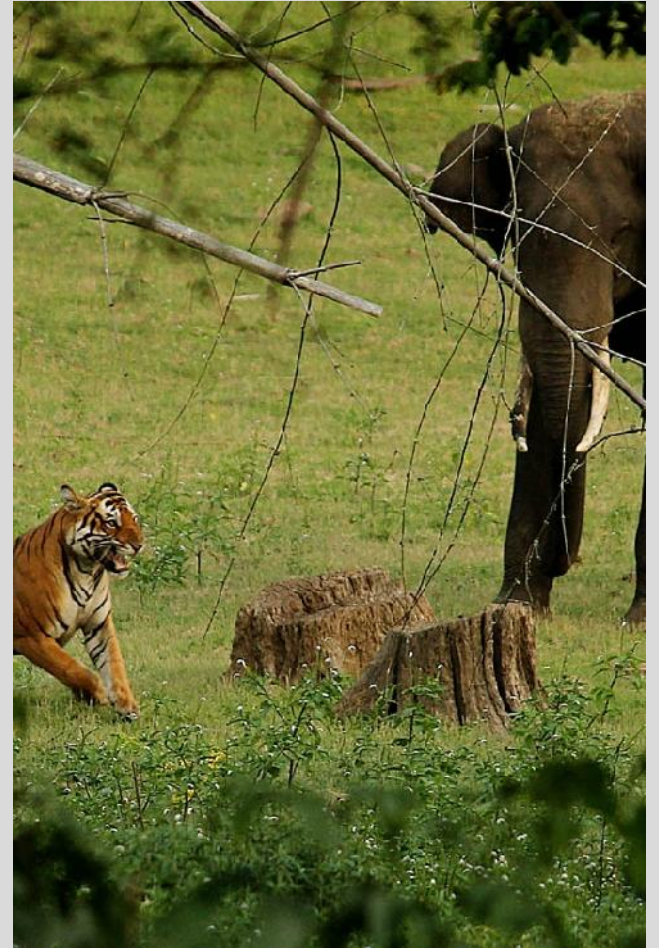

I once asked an angry Lion,
What do you think of Tiger and Peacock?
Taking a deep breath, with a beaming smile he said,
“We captured them, attacked them, forced them, hurt
them”
Yet they didn’t give up.
This is how amazing they are.

I once asked a Raging eagle,
What do you think of Tiger and Peacock?
It dropped its temper and with a smile it said
“We only had a trading relationship
but still every time we met I felt so touched and
cared”,
They gave us our space and minded their own
business, didn't trouble us.
This is how amazing they are.

I once asked a hungry elephant,
What do you think of Tiger and Peacock,
He took a moment to think and deciding to park his
hunger, said,
“While we had a tough time, they too had the same
amount of struggles,
Yet they gave us refuge and made sure we were
comfortable”.
This is how amazing they are.

I once asked an aggressive falcon,
What do you think of Tiger and Peacock?
With surprise filled eyes he looked at me and happily said,
“What do I say?
We enjoyed close and friendly bonds based on historic and
cultural ties”,
This is how friendly they are.
This is how considerate they are.
This is how amazing they are.....

THANKYOU
