SESSIONS

What our young climate warriors know and should know about waste management and Circular Economy

Cravings! Not easy to get rid of right? Come and find out the science and emotions behind Cravings.

What does it mean to be unsafe in today's world? How do we create safe spaces for children? It all starts with ME.

Am I the stories I tell myself or the stories I hear? Do I the songs of my heart or what my peers hear? Who is in my driving seat?

11AM - 11.30AM - SNACK BREAK

WORKSHOPS

How to make bio-enzymes and to effectively campaign for waste management

How to manage my cravings by knowing what is in my food?

Children can learn to set boundaries with empathetic NO

Empowering myself to manage my influences
